Math Teacher for 2023-2024, Badger High School Grades 7-12

Badger Community School is seeking a fulltime math teacher to begin next fall for the 2023-2024 academic year starting approximately August 29, 2023. The qualified applicant will be responsible to teach math classes to grades 7-12. This position has the support of a dedicated staff which is a vibrant mix of veteran and younger educators focused on serving the needs of students and each other.

Badger is a stable right-sized smaller school near the northern border of greater Minnesota located on state highway 11. It does not take too much imagination to come up with four seasons of fun with the neighboring forest areas, inviting rivers and wetlands, golf courses and recreational trails. Fishing Lake of the Woods is less than an hours drive from Badger.

Pay and Benefits: Starting pay is no less than \$44,870 and may be higher based on education and experience along with a comprehensive benefit package.

Preference will be given to candidates that are credentialed to teach college in the high school courses or the willingness to work toward becoming credentialed to be eligible in the future.

Licensure: Valid Minnesota mathematics teaching license or ability to obtain such licensure by August 29, 2023 for grades 7-12.

Candidates with training, degrees or licenses in other related content areas are welcome to apply. Badger School is willing to explore Tier 1, Tier 2 or an Out of Field Permission if necessary within accordance of PELSB guidelines and timelines.

Other income opportunities may also include co-curricular advising, directing or coaching athletics; however, not required.

For your convenience, there are three ways interested candidates may apply:

1. Interested candidates should access, print, and complete an application that can be found at our website: www.badger.k12.mn.us
