The Badger-Greenbush Lions Club will collect used eyeglasses soon at a home sports event. (More details will be coming, but start looking for your old glasses now.) An estimated 120 million people worldwide are visually impaired because of uncorrected far and near sightedness. The lack of eyeglasses denies children and adults opportunities for education, employment and a better quality of life. Your efforts count! Donate your used glasses, including sunglasses and reading glasses, to a Lions club collection point which will be announced soon.
