HUGE SHOUT OUT to Coach Stender and Gator Volleyball varsity players for making our "We Love Gator Volleyball" fall camp a BIG success! We LOVE this game--thanks for your enthusiasm and commitment to making our program one of the best! It starts with our elementary program!

With some hunting seasons upon us, and firearms deer hunting soon to follow, students need to be mindful of what things they have in their vehicles and clothing. Many items associated with hunting (bullets, shells, arrows, bows, knives, etc.) are not permitted on school grounds. Please check to make sure you are not bringing these items to our campus. Badger School has contracted with InterQuest Canines to search our parking lots and building again this year.
