Dear Roseau County 4-H Senior,

Believe it or not, graduation is just around the corner. You are probably starting to make some plans for your future education. Deciding what school to attend (and how to pay for it) can be a challenge. Here is where your years of 4-H involvement can pay off.

Enclosed is information on the local 4-H Scholarship program. Roseau County high school seniors who are currently enrolled in 4-H are eligible to apply for a \$250 scholarship. This scholarship will be presented at graduation ceremonies or award programs and is payable after successfully completing one semester of any type of higher education program.

There will be up to four scholarships awarded. If awarded, the funds will be given to the individual directly and can be used for any expense for school or personal living.

The committee selecting the recipients will base its selection on the requirements listed on the enclosed information sheet. Please read this sheet carefully and take note of what is required.

The completed application, reference letters, and written essay are all due in the UMN Extension - 4-H Office, Roseau County by **April 15<sup>th</sup>**.

Good luck in your future!

Sincerely,

Sandi Weiland & Kelsey Berger
