2018 Minnesota Athletes in Sports Medicine Scholarship

Scholarship Information

Sports & Orthopaedic Specialists and Allina Health are proud to present the 11th annual Minnesota Athletes in Sports Medicine Scholarship. Two \$2,500.00 scholarships are available and will be awarded to one male and one female graduating high school student athlete who intend to pursue a professional career in sports medicine.

Qualified candidates should demonstrate leadership, be actively involved in their community and interscholastic sports and achieve academic success.

As healthcare providers and professionals, we are committed to delivering unsurpassed patient care, providing patient education, and are actively engaged in research to benefit the public and the health care community. The recipients of these scholarships should demonstrate similar qualities and interests which will allow them to be successful in the pursuit of a career in sports medicine.

Sports and Orthopaedic Specialists and Allina Health Minnesota Athletes in Sports Medicine Scholarship criteria:

- 1. Graduating high school senior from the state of Minnesota.
- 2. Planning on attending a four-year college or university within the United States.
- 3. Involved in an interscholastic sport each of their 4 years in high school.
- 4. Intending to major in a field related to sports medicine.
- 5. Application Deadline: Must be post marked by May 1, 2018

About Sports and Orthopaedic Specialists

Sports and Orthopaedic Specialist provides sports medicine services to many of the top athletes in Minnesota, serving as the official team physicians for several sports teams in the community including the Minnesota Twins and Minnesota United FC. Our sports medicine surgeons and sports medicine primary care physicians have additional Board Certifications in sports medicine, ensuring you receive the quality care you deserve.

Whether you're struggling with an acute injury (such as a shoulder dislocation), ACL tear or concussion, a chronic overuse injury (such as IT band, patellar or Achilles tendonitis), want guidance on a new exercise program, would like to discuss cutting edge treatments (such as Platelet Rich Plasma (PRP) injections), rest assured that you will not find more highly qualified sports medicine doctors than at Sports and Orthopaedic Specialists.
