Preschool Paraprofessional

Regular part-time 7.25 paid hours per school day on duty from 8:00am to 3:15pm
Days of service include school days Monday through Thursday

Help make a difference in a child's educational experience through a rewarding career as a paraprofessional. These paraprofessional position will assist our students in their academic growth following the direction and guidance of the teachers and other student support professionals. Preschool paraprofessionals work directly with students to achieve their goals and provide support based on their academic and social-emotional needs.

Required Job Qualifications: A paraprofessional must have a high school diploma or GED as well as complete a pre-employment criminal history background check.

Preferred Job Qualifications, but not required: Experience working with children and current valid driver's license because additional hours may be available for transportation support. A highly qualified paraprofessional would meet ONE of the following criteria or the willingness/ability to obtain ONE of these areas in the future:

- (a) sixty credit hours of post-secondary education, or
- (b) an associate's degree, or
- (c) achieve a passing score on the ParaPro Assessment. The district is willing to help new hires obtain their paraprofessional certification.

Candidates with either two-year degrees or four-year degrees (or higher) are also encouraged to apply. The district is also willing to help new hires with a post secondary degree obtain a substitute teacher license while serving as a paraprofessional.

Wages and Benefits: \$15.50 per hour - \$23.05 Dependent on experience, education as well as the terms and conditions of employment per ISD 676 Non-Certified Staff Agreement covering paraprofessionals. **This position is eligible for Minnesota Public Employee Retirement Association PERA pension fund and between terms summertime unemployment benefit.**

Desired Skills: The successful candidate demonstrates...

- the ability to recognize, show interest, and respect the needs of students and families; the ability to help students with their goals and accommodations;
- the ability to take direction of supervising academic intervention teachers, general education teachers or service providers;
- the ability to model and reinforce appropriate verbal and interpersonal behavior;
- the ability to assist in providing a safe and respectful learning environment for students;
- the ability to keep information confidential; the adaptability and flexibility to work in various environments;

plus the willingness to expand skills related to computer technology, math and reading.

Essential Functions:

- Project a positive image of service and professionalism as a representative of school district;
- maintain consistent attendance to secure trust and relationships with students;
- understands and follows confidentiality requirements and when necessary special education requirements;
- support the student during classroom activities;
- participate in training and other duties as assigned or apparent.
